PROJECT INTERNSHIP COMPLETION CERTIFICATE

To Whom It May Concern,

This is to certify that **Mr. Ankit Kumar Patel**, a student of **B.Tech. Computer Science and Engineering**, NIT Uttarakhand has successfully completed a **Project Internship** under my guidance from **1st June - 31st July 2026**.

During this period, he worked on the project titled "**Application of Machine Learning Techniques for Predictive Analysis**," which involved applying machine learning algorithms and techniques to analyze datasets, develop predictive models, and evaluate their performance for data-driven prediction and decision-making. .

He demonstrated strong technical skills, dedication, and a proactive approach throughout the internship. His overall performance and conduct were found to be very good.

Regards,
Dr. Pradumn K Pandey
